Sounds of Water Panel

Model View

Description

Enhance the trail experience and learn fun facts about the sounds you might hear along the way with our Sounds of Water Sign. This educational piece features detailed graphics and proximity sensors that activate the outdoor speaker system to provide a brief auditory narrative about sounds you may hear from a creek, waterfall, rain or splashing. Add to a PlayTrails play pocket or use along any trail or pathway as a stand-alone educational sign to maximize the value in your play space.

Features & Benefits

- Detailed graphics on durable high pressure laminate (HPL) sign surface
- Proximity sensors that activate sounds
- Auditory narrative promotes inclusion
- Curved leaf design harmonizes with nature and surroundings
