Berry Mountain

Model View

Description

A compact design that fits well in a small, square space. Berry Mountain features our curved zip slide and spiral slide. The new standard for affordable play, PrimeTime play systems pack an enormous amount of play value into compact designs. The smaller footprint of PrimeTime commercial playground equipment requires less surfacing and has a lower overall cost.

Features & Benefits

- Installs in less than 900sq/ft!
- DirectBolt® connections are ASTM compliant straight from the factory and easier to install and maintain
- Smaller overall footprint is ideal for smaller spaces and budgets
- Available with a full range of play components to enhance physical, cognitive, and social-emotional development
