4' Elephant Bench w/Perforated Seat - In-Ground

Model View

Description

Create a safari in the park with this fun Elephant inspired bench! This durable, playground favorite comes as a one-piece welded assembly in 11 gauge punched steel with a protective galvanneal coating. The TGIC polyester powder coating gives it a colorful shine that makes it a visually appealing and imaginative addition to any play space. A variety of color options allows you to create a bench that blends seamlessly into your recreation space. Bench is available as in ground or surface mount.

Features & Benefits
