Balance Walk - Pro and Youth

Model View

Description

Balance Walk provides a **balance** and **coordination** element to your Challenge Course Youth or Challenge Course Pro installation. The three sections are arranged in an arc and attached to durable, high quality springs that create movement as the user walks along the surface. Balance Walk is included in the 4000 and 5000 models of the Challenge Course Youth and Pro configurations.

Features & Benefits

- Adds a balance and coordination element to your Challenge Course
- Creates a turning point from one section of the Challenge Course to the next
- Slows down the user as they move from one speed element of the course to the next, creating a varied pace along the course
- Constructed of durable, recyclable materials and backed by the industry's leading warranty
