Castle Rock Wallcano

Model View

Description

Castle Rock Wallcano is a fun climbing activity for children ages 5-12 to enjoy. Children can choose their own path while climbing up the rock wall which enhances decision-making skills while building physical strength. It features strong, colorful grips for children to easily spot and grab onto while climbing. It's a great way to add a fun exercise experience to any playground.

Features & Benefits

- Features bright, randomly placed grips that exercise decision making

- Encourages social interaction, teamwork, and imaginary play
- Promotes balance and coordination development
- Develops gross and fine motor skills and enhances core strength
