DNA Climbing Wall

Model View

Description

DNA Climber is a fun and affordable climbing activity for children ages 5-12 to enjoy. This upright climber is compatible with Xscape play systems and acts as access point to an attached play element. The DNA-shape adds an extra challenge to ascending this ladder.

Features & Benefits

- Enhances upper body and core strength
- Promotes balance and coordination development
- Develops fine motor skills and hand-eye coordination
- Versatile addition to any Xscape play system
