Double Sand & Water Play Table

Model View

Description

How do you make the industry's favorite sand and water table even better? Add a second table for twice the fun! With a second sand and water table, there are twice as many "beach" and "pond" areas for sand and water. There are also twice as many "streams" to direct water from pond to pond, and with our tiered design, the water from table flows to the next in a fun waterfall.

Features & Benefits

- A fun way to add creative and imaginative play to your preschool play area
- Two level play area with separate areas for sand and water
- Available in two different heights
- Optional table cover available (#24013)
- Constructed of durable, recyclable materials and backed by the industry's leading warranty
