Floating Boards - Pro

Model View

Description

Designed to be both a physical and mental challenge the Floating Boards elevate a user's balance, flexibility &muscle fitness as they climb from one end to the other. Hand and footholds, as well as a wide center opening, give Floating Boards three distinct routes of travel: over, through or along the side. Use as a challenge in your own custom course or pick from one of our pre-configured courses Pro 3000 (13642), Pro 4000 (13643), or Pro 5000 (13644).

Features & Benefits

- Rotomolded plastic boards feature hand/foot holds for users to grip/grasp as they move along the side of the challenge

- Flat step surface along the top of each board make it possible for users to climb across the top
- Wide opening in the center of each board allows users to climb through the center of each board
