## Description

Designed with a patented dual axis mechanism, the G2 is a GameTime exclusive and a full-on thrill ride children want to experience again and again. A single passenger can spin inside G2 or multiple children can hold onto the outside for fast-paced spinning play. The dual axis mechanism allows children to adjust the speed by leaning forward or backward.

### Features & Benefits

- Exclusive spinning activity for up to three children
- Patented dual axis mechanism creates a spinning experience unlike any other
- Durable steel and plastic construction for low-maintenance play
