KidNetix Horizontal Net Ladder

Model View

Description

Climb across, climb up and climb over this fun and challenging play event. When used in conjunction with other KidNetix climbers, the Horizonal Net Ladder adds three different kinds of climbing activities in a single structure and is a great addition to any KidNetix course. The KidNetix Horizontal Net Ladder is 138" long constructed from the same super-strong ropes and steel connectors as all of our KidNetix products.

* Uprights not included.
