Large Mushroom

Model View

Description

Experience the excitement of the forest floor while learning about this fascinating fungi! GameTime's Small Mushroom is constructed of hand-sculpted and hand-painted GFRC which creates a visually appealing, realistic look for educational and imaginative play opportunities on the trail or playground. The mushrooms can be configured in a number of ways to create a fun social center, or a place to picnic. Use three small mushrooms and one large mushroom to provide accessible seating options for children and families of all abilities.
