Miniature Whirl

Model View

Description

Miniature Whirl is a fun motion activity for children ages 5-12 to enjoy. Children can sit or stand on the whirl while another child spins them from the outside. This merry-go-round is smaller in size than typical whirls which leaves more room to install other equipment for children to explore.

Features & Benefits

- Smaller in size and takes up less space compared to traditional whirls
- Promotes social interaction, teamwork, and imaginary play
- Helps develop gross and fine motor skills
- Parents can play alongside children by helping to spin Miniature Whirl
