Mountain Climber

Model View

Description

Mountain Climber is a fun climbing activity for children ages 5-12 to enjoy. Children can climb up the structure at whatever method and pace they desire. Its strong, durable design allows for numerous areas for children to grab onto while climbing. It's an easy way to add a fun exercise experience to any playground.

Features & Benefits

- Encourages social interaction and imaginary play
- Promotes balance and coordination development
- Develops fine motor skills and enhances core strength
