Nature Discovery Play House

Model View

Description

The unique A-frame style of this playhouse is the perfect cabin getaway for young imaginations. There is a large countertop with traceable leaf patterns and a pretend fireplace. We added windows and seating areas for social play and a Telescope, spinning flowers and mailbox for interactive play. Designed for children ages 2-5.

Note: The lenses do not magnify objects

Features & Benefits

- Durable steel and HDPE plastic construction withstands the elements and the rigors of early childhood play

- Seating areas built-in for rest and social interaction
- Additional interactive play activities like a working Telescope and mailbox
- HDPE plastic slat roof provides shade to keep the play area comfortable on sunny days
