PowerScape Track Ride - 4 Deck Span

Model View

Description

A favorite overhead motion activity that promotes upper body strength, balance and coordination. Twin grip handles are attached to a smooth trolley mechanism inside a pinch-free track. Grip the handle, raise your legs and propel your body forward to glide quickly from one end to the other. It's a fast, fun activity that keeps children lining up for their turn to fly!

Features & Benefits

- Promotes upper body strength and enhances balance, coordination and spatial awareness
- Twin grip handles and enclosed trolley mechanism provide a smooth ride

- Durable construction with recyclable materials that are backed by the industry's leading warranty
