

A PLAYCORE Company

Single Sky Wheel

Model View

Description

Single Sky Wheel is a fun overhead spinning activity for children ages 5-12 to enjoy. This overhead activity is compatible with any PowerScape play aystems and acts as functional link between two play elements. The 360-degrees turning mechanism within the wheel creates a more challenging experience when traveling between play elements.

Features & Benefits

- Provides one of the six essential elements of play - brachiating, or overhead climbing
- Enhances upper body and core strength
- Promotes balance and coordination development
- Develops fine motor skills and hand-eye coordination
