# Sky Wheels

Model View

## Description

Sky Wheels is a fun activity for children ages 5-12 to enjoy. This overhead climber is compatible with PrimeTime play systems and acts as functional link between two play elements. The 360-degrees turning mechanism within the wheels creates a more challenging experience when traveling between play elements.

### Features & Benefits

- Provides one of the six essential elements of play - brachiating, or overhead climbing
- Enhances upper body and core strength
- Promotes balance and coordination development
- Develops fine motor skills and hand-eye coordination
