Small Tree Climber

Model View

Description

GameTime's Small Tree takes children on an exciting climbing adventure as they move from branch to branch to reach the top of this forest-inspired play event. Rotationally molded conifer toppers bring the look of the forest to your play space or trail, as children use the grippable foot holds and steel hand holds to assist with the climb along the way. Combine with the Large Tree to create a climbing event from ground level up to 6' or group with other Tree Climbers to create a forest of fun!

Features & Benefits

- Grippable foot holds and curved steel hand holds aid climbing
- Durable steel posts create stable climbing event as children move from branch to branch
