# Step-Up Fitness Station

Model View

## Description

The Step-up station provides users the opportunity to their aerobic fitness, core, and lower body muscular endurance all at once. Users can perform low impact aerobic exercises such as step-ups or more muscle focused exercises such as lunges and squats.

### Features & Benefits

- Provides an excellent aerobic & muscle fitness workout
- A versatile station that allows multiple types of exercises in a single product
- Constructed of durable and recyclable materials and backed by the industry's leading warranty
