

A PLAYCORE Company

Tilted Sky Runner

Model View

Description

A tilted version of our original and patented overhead spinning activity that allows children to experience the sensation of flight. Up to eight children (ages 5-12) can grip the handle, run and then lift their feet as the Sky Runner takes them on a thrilling ride around and around. The slight tilt creates an altitude change and adds an extra element of fun!

Features & Benefits

- Exciting spinning activity for up to eight children
- Patented design allows children to experience the sensation of flight

- Tilted design creates an altitude change that adds extra fun and challenge
- Overhead orientation enhances upper and core body strength
- Constructed of durable, recyclable materials and backed by the industry's leading warranty
