Tilted Spinning Leaf Seat

Model View

Description

Take a spin on the trail or at the playground with GameTime's Tilted Spinning Leaf Seat! The rotationally molded, tactile leaf provides a grippable surface as children sit or lay to spin themselves in a whirlwind of fun. This spinning event promotes opportunities for cooperative and intergenerational play as children work together to spin each other or as families engage in the fun. The Spinning Leaf Seat is a great addition for small spaces or to enhance the play value of an existing play space.

Features & Benefits

- Sculpted rotationally molded leaves create a grippable surface as children lay or sit to spin, as well as, a comfortable place to sit and socialize with friends
- Tilted leaf design creates additional challenge to spin
- Durable steel post provides secure base for spinning
- Realistic leaf design prevents water pooling
