

A PLAYCORE Company

Tire Swing

Model View

Description

A modern take on a playground classic, our tire swing is constructed of molded plastic, so there's no messy residue like the tire swings of old. It's large enough for up to three users (ages 2-5 or 5-12) and it attaches to a PowerScope swing frame with a 360° mount so children can swing and spin in every direction. Includes mounting hardware, PowerScope swing frame sold separately.

Features & Benefits

- Molded plastic design - no messy residue like old tire swings

- Accommodates two users
- Provides benefits of spinning and swinging play
- Attaches to PowerScape swing frame (sold separately)
- Constructed of durable, recyclable materials and backed by the industry's leading warranty
