# Toddle Rocker

Model View

## Description

Designed to promote body play in preschool children, the Toddle Rocker is the perfect height for children ages 2-5 to lay across and rock gently back and forth. Features a GameTime belt swing seat that is connected to steel uprights that match the look and style of your Xscape play system.

### Features & Benefits

- Promotes body play in preschool children
- Provides a gentle rocking motion that stimulates a child's vestibular system, promoting better balance and coordination
- Utilizes a standard GameTime belt swing seat for easy maintenance
- Durable construction withstands the elements and the rigors of early childhood play
