Tot’s Crawl Tube

Model View

Description

Children love tunnels and enclosed spaces. They're cozy and fun. Parents love to be able to see their children while they play. It makes them feel comfortable. So our ground-level crawl tube is perfect for children and parents! Children ages 6 to 23 months can crawl through, sit inside or pull up to a standing position on the outside. Parents can see all the activity through the large openings.

Features & Benefits

- Age-appropriate tunnel/crawl tube for younger children
- Large openings make it easy for children to explore and parents to observe
- Great location for children to gather and socialize
