

## **Tot's Crawl Tube**

Model View

## **Description**

Children love tunnels and enclosed spaces. They're cozy and fun. Parents love to be able to see their children while they play. It makes them feel comfortable. So our ground-level crawl tube is perfect for children and parents! Children ages 6 to 23 months can crawl through, sit inside or pull up to a standing position on the outside. Parents can see all the activity through the large openings.

## **Features & Benefits**

- Age-appropriate tunnel/crawl tube for younger children
- Large openings make it easy for children to explore and parents to observe
- Great location for children to gather and socialize
