Triton

Model View

Description

The Triton is a fun and challenging functional link for children ages 2 to 5. It features one suspended pod that is tethered upright and enhances a child's decision-making and gross motor skills during play. Children can climb across the pod to explore an attached play area or sit on the pod and socialize with friends.

Features & Benefits

- Rotationally-molded plastic pods sway slightly as children crawl through from one end to the other
- Designed to enhance a child's decision-making and gross motor skills during play
- Pods are a comfortable place for children to sit and socialize
- Constructed of durable, recyclable materials and backed by the industry's leading warranty
- Versatile addition to any Xscape play…
