Tuffclad Bench

Model View

Description

The Tuffclad® benches can be designed to match your playground. A variety of color options for seats and frames allow you to create a bench that blends seamlessly into your play space, and the plastisol-coated seat provides a comfortable surface for adults or children taking a break from their recreational activities. Benches are available in 6' and 8' lengths for in ground, portable or surface mounting.

Features & Benefits

- Galvanized pipe frame
- Punched steel seat with plastisol coating
- High quality, durable hardware
