Accelerate II

Model View

Description

The new standard for affordable play, PrimeTime play systems pack an enormous amount of play value into compact designs. The smaller footprint of PrimeTime commercial playground equipment requires less surfacing and has a lower overall cost.

Features & Benefits

Pairs with FS21005 to create a complete PlayOn! play system

- DirectBolt® connections are ASTM compliant straight from the factory and easier to install and maintain
- Smaller overall footprint is ideal for smaller spaces and budgets
- Available with a full range of play components to enhance physical, cognitive, and social-emotional development
