

A PLAYCORE Company

Expression Swing™ Universal

Model View

Description

Expression Swing Universal features the same adult swing seat as our original Expression Swing and includes an adaptive swing seat for children of all abilities (ages 5-12). The patented design positions adult and child face-to-face and eye-to-eye to encourage an emotional bond during play (also known as the scientific principle of attunement), and the adaptive seat provides an inclusive form of swinging play for children who require additional support.

Features & Benefits

- Patented face-to-face, eye-to-eye design found in all of our Expression Swing products
- Comfortable adult swing seat that encourages parents and adult caregivers to participate in play
- Adaptive seat provides additional support for children of all abilities
- Provides opportunities for multigenerational play and emotional bonding (attunement)
