Tangle Tour

Model View

Description

This fitness-focused design encourages children to stay active for longer periods of time. Can be used in conjunction with PowerScape and PrimeTime systems to create a fun, challenging, and exciting hybrid design.

Features & Benefits

- Offers more climbing challenges and promotes physical and cognitive development
- DirectBolt® connections are ASTM compliant straight from the factory and are easier to install and maintain
- Affordable commercial playground equipment that appeals to older or more adventurous children
